

A Benefit for the cost of grooming the Trezona Trail

The Race

The course begins at the Miners Lake Public Access (off Pioneer Rd, across from the Grand Ely Lodge), a short 1 K walk, ski, or drive from the registration tent at the Trezona Parking Lot. The race begins with the competitors drinking a 10 oz cup of water, then snowshoeing about a 1 K loop on Miners Lake (you may use your own snowshoes, but there will also be snowshoes available, thanks to Outward Bound). Returning to the Public Access, you will drink another cup of water and switch from snowshoes to your skis, to classic ski the Trezona Trail counterclockwise, about 6 K of flat or gently rolling terrain. At the finish line, you will drink a third cup of water. Your finish time and your teammate's finish time will be added together for the results. Ely Nordic Ski Club will sell brats, etc, at the finish, and the Boathouse restaurant is open for lunch. The finish line at the Trezona Trail parking lot is two blocks from the Boathouse, where awards and prizes will be presented at 2pm.

We at the Boathouse Brewpub are dedicated to bringing new and interesting events to Ely. By doing this we hope to support local youth and programs that keep our community thriving. This Winter Triathlon is a benefit for the costs of grooming the Trezona Trail, which is right on the north edge of town and heavily used by skiers all winter. The Ely Nordic Ski Club supplies the groomer, snowmobile maintenance, and gas, which last winter totaled \$2,700! There will be a "Friends of the Trezona" table at the finish line with information, gifts, and the invitation for donations.
